Kyiv, Ukraine

Ready to work remotely

---

Full Stack Software Developer with 1 year of experience seeking new opportunities. Experienced in JavaScript, TypeScript, React, HTML, CSS, and Preprocessors, with hands-on experience in Node.js. Committed to working closely with team members and creating dynamic, user-friendly web applications. With strong communication, problem-solving and leadership skills, I am an effective team player and a dedicated individual who is committed to delivering high-quality results. Eager to continue growing my skills, specifically in Angular, Vue, and React Native. Has strong communication skills with a B2 level of English.

---
